9TH GISBOROUGH MOORS RACE

SUNDAY 13TH APRIL 1986

CO-ORDINATORS COMMENTS

The annual Moors Race produced another large field of runners in its ninth year. The weather was its usual fitful self and the rain didn't hold off for long. An already waterlogged course just became wetter and wetter. As a consequence times were much slower generally and those who improved on previous times had to first overcome the difficult running conditions. Having said this and bearing in mind that if it was a horse race meeting it would have been abandoned the two records set this year indicate great determination. The first of these was set by Kate Stoney in the Senior Womens category of the short race at 47.14, although it must be added that Carol Haig still holds the course record as a junior.

The second record was set by Sarah Haines in the full race who lowered Jean Lochead's 1981 record from 106.23 to 103.59 with an extremely good performance.

The short races provided a close finish in the 'under 16 year' event with Derek Fielden of Mandale Harriers just beating L. Towers of Newton Aycliffe A.C. on the final run in down Belmangate. In the 'under 18 years' race Paul Lowe of Mandale managed to open an early gap which gradually widened although J. Taylor of Holmfirth chased him hard. In the U18 female race Julie Easton of Loftus A.C. produced another good performance to win from Marie Willis of Mandale. In the U16 female race Sally Kay also of Loftus was the winner with L. McCormack of Newton Aycliffe second.

In the main race the heavy conditions certainly drained the legs of some. At the front there was a dual between Harry Burdett of Middlesbrough & Cleveland Harriers and Jon Williams of Mandale Harriers. Harry had opened a small gap by Captain Cooks Monument, which Jon whittled away to a negligable amount by the time they had ascended Gribdale steps. This effort however seems to have allowed Harry the opportunity to open the gap to 200 metres by Roseberry Topping. The gap then gradually opened with Harry winning the race and Jon winning the Veterans Section.

Mandale 'A' Team went on to take the team prize by good packing with Bingley Harriers being second team led by Martin Weeks, whilst Gerry Spink yet again won the over 50's section. It should be noted that Mandale 'B' would have been third team if race rules had allowed 'B' teams to count.

It is now envisaged that the team rules will change next year, so that teams of perhaps four in number will be awarded prizes. As next year is the tenth running of the event look out for special awards!
